Over the gate

Through the park

Along the Street

Down the hill

Up the fire escape

On the roof

When you hear those words what can you see in your mind's eye? What's in the park? Does he pass anyone in the street? Is it a street full of shops? How steep is the hill? Does it have houses or is it open grassy land? How high does the fire escape go and is it old and rusty? What's it like up on the roof?
