

Design a Snow Child coat

In our story of the *Snow Child*, Mother has made a special coat for the child she has always wanted.

If you could have your dream coat what would it be like? What colour would it be, would it have pictures on it, what would it feel like, would have any special powers?

Could you design a coat you would like on the template below?

We'd love to see the results of your time please send us your pictures to: hello@tutti-frutti.org.uk
