

## Rainy Day Activities - Magical Moon Playdough

Make our Magical Moon playdough for hours fun!

### You will need:

1 cup plain (all-purpose) flour

½ cup salt

2 tablespoons cream of tartar

2 tablespoons vegetable oil

1 cup water with food colouring added/black water colour paint

GENEROUS amounts of glitter (experiment with colours and regular sized and fine glitter to give the playdough a cosmic appearance)

To give your playdough some extra stretch and bounce you can also add 1 teaspoon of unflavored gelatin

### What to do:

1. First add the liquid ingredients to a large saucepan (and the gelatin if using)
2. Once the gelatin is dissolved turn down the heat and add the dry ingredients and stir over a medium heat until the dough forms into a ball.
3. Allow to cool, and then knead in the glitter.
4. Store in an airtight container (a Ziploc bag with the air pressed out is good).

You're ready to play - what are you going to make? A moonscape? A starry night sky scene? the skys the limit!

Please tell us what you thought of the show by sending feedback, drawings and photos to [hello@tutti-frutti.org.uk](mailto:hello@tutti-frutti.org.uk) or post via facebook or twitter.
