

## Notes for teachers

With fantastic music, beautiful movement and magical design, Rapunzel is a delightful production for children about the curiosity and joys of growing up, risk taking and discovering who you are.

Themes: Rapunzel explores relationships, growing up, identity, construction, environments, risk taking, freedom & restriction, being different, secrets, truth & lies, leaving & returning, travel, freedom, and exploring the world. Rapunzel is a fantastic catalyst for the development of pupil's storytelling and drama skills. Firing their imagination and enthusiasm to create characters, devise and script drama, write stories and perform. This helps pupils to become very familiar with key stories, fairy stories and traditional tales, retelling them and considering their particular characteristics. (KS1 English)

Resources: In addition to the 55 minute performance, our online resources give an opportunity for teachers to further explore the ideas in the production encouraging creativity, enhancing emotional literacy, communication skills, storytelling, recalling and analysing the material they have seen. More pictures as well as set and costume designs can be found in the Images and Media pages of the website.
