

## My Treasure Boxes

The little girl in Monday's Child has a box to keep her important things in, a pebble, a feather, a sea shell. Why don't you make a treasure box with things that are special to you and about you. They could be photos, things you've found, or things you've made (or whatever you like) Use an old shoe box or tin. You could decorate your box and label what you put in it so you remember where each thing came from.

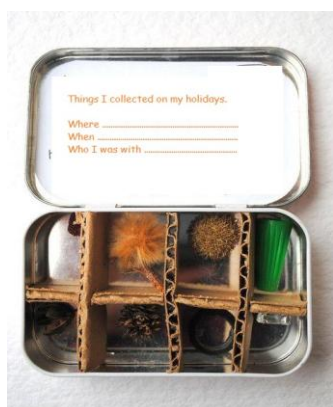

Or you could make...

### Character treasure boxes

Choose your favourite fictional or historical character, it could be someone you're learning about at school or a character from a book you like; Queen Victoria, Mary Seacole, Nelson Mandela or Winston Churchill or maybe Matilda, Harry Potter, Alice in Wonderland or Hiccup!

What do you think they would put in a treasure box? What might be important to them and be things that they want to keep safe?

### Holiday treasure box

Or, could you make a treasure box from your holidays?

Like the little girl in Monday's Child you could collect leaves or shells as well as postcards, tickets and pictures. Remember to include the date and where you made the box so you'll remember when you look back at it in the future!

We'd love to see the results of your time please send us your pictures to: [hello@tutti-frutti.org.uk](mailto:hello@tutti-frutti.org.uk)
